

# Power Hour

With over 30 acres to explore it may be hard to see the entire Garden in an hour. Choose one of the options below for a thrilling power hour!

## Outdoor Oasis

1. Zip over the **Kendeda Canopy Walk** to enjoy the beautiful tree canopy in **Storza Woods**
2. Visit the **Cascades Garden** that bursts with brilliant flowers and flowing water features.
3. See the **Levy Parterre** filled with color.
4. Take a look at the soothing **Japanese Garden**.
5. Stop and smell the colorful **Rose Garden** and the lovely **Perennial Gardens**.
6. Get a taste of the **Edible Garden** which boasts colorful fruits and vegetables 365 days a year.

## Indoor Collections

1. Make a bee-line to the **Fuqua Conservatory** and **Fuqua Orchid Center**.
2. Find colorful amphibians on display in the Conservatory Lobby and then listen for the trilling **Poison Dart Frogs** in the Fuqua Conservatory.
3. Discover the beautiful succulents from Africa in the Desert House and then the amazing plants we use in our everyday lives in the **Orangerie**, such as coffee, cinnamon, quinine, turmeric and more.
4. Walk back through the **Tropical Rotunda** and into the Fuqua Orchid Center, which features beautiful orchids from around the world. Fragrance, color and unusual flower forms are the order of the day.
5. Last, discover beautiful orchids and carnivorous plants that grow 4,000-10,000 in the **Tropical High Elevation House**.

## Family Fun

1. Lickety-split over the **Flower Bridge** to the **Children's Garden**, which features two acres of interactive fun.
2. In the Children's Garden, explore a vegetable garden, butterfly maze, a tree house and more.
3. Be sure to give **Green Man** a big smile as you enter the Children's Garden!
4. If it is a hot summer day, bring the kids' swimsuits to take a splash in the **Sunflower Fountain!**
